***Please provide this form to the school health room upon receipt from parent/guardian or student.**

Frederick County Public Schools and Frederick County Health Department

FCPS will accept negative results from COVID-19 Home Test Kits for symptomatic individuals seeking to return to school.

Please follow all testing instructions provided by the kit manufacturer and located inside the test box. After testing your child, please follow the instructions below and fill out the **COVID-19 Home Test Results Form** completely.

If Test #1 is POSITIVE (your child has COVID-19):

- Your child **MUST** stay home for at least 5 days from the onset of COVID-19 symptoms.
- Your child may return to school on day 6 as long as their symptoms have improved **AND** they have had no fever for at least 24 hours without the use of fever-reducing medicine **AND** are able to consistently and appropriately wear a face mask. Otherwise, your child will need to stay home for at least 10 full days.
- You do not need to test your child a second time if the results were positive. You may keep the extra test for use as needed for yourself or others.
- We recommend reporting the positive test result electronically to the Maryland Department of Health at <https://covidlink.maryland.gov/content/testing/if-you-test-positive/#report>

If Test #1 is NEGATIVE:

- You must perform a second test between 24 and 48 hours after completion of the first test, and fill out the **COVID-19 Home Test Form** for **Test #2** completely.

If Test # 2 is NEGATIVE (No sooner than 24 hours after completion of Test #1):

- Your child most likely does not have COVID-19.
- Your child may return to school as long as they have had no fever for at least 24 hours without using fever reducing medicine.
- For your child to return to school, a parent/guardian **MUST** sign and submit the completed **COVID-19 Home Test Form** for both tests to the front office or school health room.

If Test # 2 is POSITIVE:

- Your child **MUST** stay home for at least 5 days from the onset of COVID-19 symptoms.
- Your child may return to school on day 6 as long as their symptoms have improved **AND** they have had no fever for at least 24 hours without the use of fever-reducing medicine **AND** are able to consistently and appropriately wear a face mask. Otherwise, your child will need to stay home for at least 10 full days.
- We recommend reporting the positive test result electronically to the Maryland Department of Health at <https://covidlink.maryland.gov/content/testing/if-you-test-positive/#report>
