Here are some suggestions from Bright Futures experts that may be of value to your family.

### HOW YOUR FAMILY IS DOING
- If you are worried about your living or food situation, talk with us. Community agencies and programs such as WIC and SNAP can also provide information and assistance.
- Find ways to spend time with your partner. Keep in touch with family and friends.
- Find safe, loving child care for your baby. You can ask us for help.
- Know that it is normal to feel sad about leaving your baby with a caregiver or putting him into child care.

### HOW YOU ARE FEELING
- Take care of yourself so you have the energy to care for your baby.
- Talk with me or call for help if you feel sad or very tired for more than a few days.
- Find small but safe ways for your other children to help with the baby, such as bringing you things you need or holding the baby’s hand.
- Spend special time with each child reading, talking, and doing things together.

### FEEDING YOUR BABY
- Feed your baby only breast milk or iron-fortified formula until she is about 6 months old.
- Avoid feeding your baby solid foods, juice, and water until she is about 6 months old.
- Feed your baby when you see signs of hunger. Look for her to
  - Put her hand to her mouth.
  - Suck, root, and fuss.
- Stop feeding when you see signs your baby is full. You can tell when she
  - Turns away
  - Closes her mouth
  - Relaxes her arms and hands
- Burp your baby during natural feeding breaks.

**If Breastfeeding**
- Feed your baby on demand. Expect to breastfeed 8 to 12 times in 24 hours.
- Give your baby vitamin D drops (400 IU a day).
- Continue to take your prenatal vitamin with iron.
- Eat a healthy diet.
- Plan for pumping and storing breast milk. Let us know if you need help.
  - If you pump, be sure to store your milk properly so it stays safe for your baby.
  - If you have questions, ask us.

**If Formula Feeding**
- Feed your baby on demand. Expect her to eat about 6 to 8 times each day, or 26 to 28 oz of formula per day.
- Make sure to prepare, heat, and store the formula safely. If you need help, ask us.
- Hold your baby so you can look at each other when you feed her.
- Always hold the bottle. Never prop it.

### YOUR GROWING BABY
- Have simple routines each day for bathing, feeding, sleeping, and playing.
- Hold, talk to, cuddle, read to, sing to, and play often with your baby. This helps you connect with and relate to your baby.
- Learn what your baby does and does not like.
- Develop a schedule for naps and bedtime. Put him to bed awake but drowsy so he learns to fall asleep on his own.
- Don’t have a TV on in the background or use a TV or other digital media to calm your baby.
- Put your baby on his tummy for short periods of playtime. Don’t leave him alone during tummy time or allow him to sleep on his tummy.
- Notice what helps calm your baby, such as a pacifier, his fingers, or his thumb. Stroking, talking, rocking, or going for walks may also work.
- Never hit or shake your baby.
2 MONTH VISIT—PARENT

SAFETY

- Use a rear-facing–only car safety seat in the back seat of all vehicles.
- Never put your baby in the front seat of a vehicle that has a passenger airbag.
- Your baby’s safety depends on you. Always wear your lap and shoulder seat belt. Never drive after drinking alcohol or using drugs. Never text or use a cell phone while driving.
- Always put your baby to sleep on her back in her own crib, not your bed.
  - Your baby should sleep in your room until she is at least 6 months old.
  - Make sure your baby’s crib or sleep surface meets the most recent safety guidelines.
- If you choose to use a mesh playpen, get one made after February 28, 2013.
- Swaddling should not be used after 2 months of age.
- Prevent scalds or burns. Don’t drink hot liquids while holding your baby.
- Prevent tap water burns. Set the water heater so the temperature at the faucet is at or below 120°F /49°C.
- Keep a hand on your baby when dressing or changing her on a changing table, couch, or bed.
- Never leave your baby alone in bathwater, even in a bath seat or ring.

WHAT TO EXPECT AT YOUR BABY’S 4 MONTH VISIT

We will talk about

- Caring for your baby, your family, and yourself
- Creating routines and spending time with your baby
- Keeping teeth healthy
- Feeding your baby
- Keeping your baby safe at home and in the car
